GOVERNMENT OF GOA, DAMAN AND DIU

EXTRAORDINARY

GOVERNMENT OF GOA, DAMAN AND DIU

Industries and Labour Department

ORDER

2/49/79-ILD

Whereas the Government of Goa, Daman and Diu is of the opinion that it is expedient so to do for maintaining the supply and securing the equitable distribution of energy it is necessary and expedient to regulate the supply, consumption or use thereof.

Now, therefore, in exercise of the powers conferred by Section 22 B of the Indian Electricity Act, 1910 (Central Act 9 of 1910) the Government of Goa, Daman and Diu hereby makes the following Order, namely:—

No consumer of electrical energy specified in Column 1 of the Table below shall consume or use energy for any month in excess of the limits specified in the corresponding entry in Column 2 thereof.

TABLE

Column 1

Column 2

I. All HT consumers with a contract demand of more than 250 KVA and an average monthly consumption of —

a) not more than 100 KWH per KVA of contract demand.

b) more than 100 KWH but not more than 200 KWH per KVA of contract demand.

Average monthly consumption subject to a minimum of 45 KWH and maximum of 65 KWH per KVA of contract demand.

45% of average monthly consumption subject to a minimum of 65 KWH per KVA of contract demand.

Column 1

Column 2

c) more than 200 KWH but not more than 250 KWH per KVA of contract demand.

40% of average monthly consumption subject to a minimum of 90 KWH per KVA of contract demand.

d) more than 250 KWH per KVA of contract demand.

30% of average monthly consumption subject to a minimum of 100 KWH per KVA of contract demand.

II. All HT consumers with a contract demand of more than 250 KVA and manufacturing and or mixing fertilizers and agricultural chemicals.

45% of average monthly consumption subject to a minimum of 65 KWH per KVA of contract demand.

III. All HT consumers with a contract demand of 250 KVA and below.

90% of average monthly consumption subject to a minimum of 45 KWH per KVA of contract demand.

IV. Notwithstanding anything contained in this Order no HT consumer other than those specified in item V and VI shall consume or use electrical energy at more than 5% of their average daily consumption, per day, during the period 4-5-80 to 11-5-80. After the above specified period the restrictions as imposed in this Order shall apply to all the HT consumers.

V. The above restrictions on the use of electrical energy shall not apply to Hotels and installations owned by M. P. T. in respect of whom the following utilization limits shall apply, namely:

(a) Hotels with HT 60% of average monthly installation consumption.

(b) Installation 50% of average monthly owned by M.P.T. consumption.

Explanation: For the purpose of this Order, "Average monthly consumption" shall be:—

- a) in the case of consumer existing before 1st July 1979 the total consumption of electrical energy recorded during the period from 1-10-78 to 30-6-1979 divided by nine OR if in any month the consumption is less than 50% of the average monthly consumption, the average arrived at without reckoning the consumption during such months.
- b) In the case of a consumer existing before 1st July 1979 with due approval of power sanction from the Electricity Department, Government of Goa, Daman and Diu, the monthly energy arrived at as per column-2 of the above plus proportionate increase for the additional load connected.
- c) In the case of a new consumer who is supplied power after June, 1979, the assessed monthly consumption of electricity on the basis of comparable industry's monthly energy arrived at as per column-2 of the Table above.
- d) In respect of item III the average monthly consumption shall be obtained from the total consumption of Electricity Energy recorded during the period from 1-10-79 to 31-3-80 divided by six OR if in any month the consumption is less than 50% of the average monthly consumption the average arrived at without reckoning the consumption during such months.

VI. Nothing in this Order shall apply to:—

1. Hospitals
2. Water Supply Installations
3. Sanitary Installations

4. Lift Irrigation Schemes
5. Construction of Power and Irrigation Projects
6. Government Printing Press
7. Cold Storage Plants for Drug, Food and Fish Preservations.
8. Telephone and Telegraph Installations
9. Educational Institutions and Hostels
10. Railway Workshops and Stations
11. Oil Storage and Fuelling Plants
12. National Institute of Oceanography
13. Defence Installations, M.E.S.
14. Oil Mills, Rice Mills, Flour Mills and Sugar Mills.
15. Oxygen Manufacturers (Medical)
16. Cinema Theatres (without use of Air Conditioning).

For the enforcement of this Order the Chief Electrical Engineer, Government of Goa, Daman and Diu is hereby authorised to resort to load shedding if and when necessary.

When the consumer is availing HT supply at number of points quota of the installations will be allowed to be adjusted against another installation only with specific and prior approval of the Chief Electrical Engineer.

This Order supersedes all previous Orders issued in this regard and shall have effect from 4-5-1980.

Any consumer violating the above restrictions shall be liable for disconnection without any notice.

By order and in the name of the Administrator of Goa, Daman and Diu.

M. S. Sail, Under Secretary (Industries and Labour).

Panaji, 3rd May, 1980.
